**Alderman Davis called the Wastewater Treatment Committee Meeting to order.**

**Davis turned the meeting over to Alan Walker of JAKK Inc to speak on behalf of the property at 2216-18 Grand and 2205-07 Grand about outstanding sewer bills.**

**Walker argued that some of his property was not rented; he has been working on the property since 2015; he has disconnect the home from the sewer system; he feels that he should not be charged a sewer bill for if he is not using the sewer; he also thinks that the rates are unfair for amounts of people.**

**Comptroller Oney stated that everyone pays a sewer bill even if the home is vacant; home owners that pay a sewer bill to special area sewer district pay every month and their bill is almost double.**

**Alderman Davis stated that we will table this matter at this time.**

**MOTION By Davis, second by Thompson to adjourn the Wastewater Treatment Committee Meeting. ALL VOTED YES. Motion Carried.**
